

INTEGRATED ACCESSIBILITY STANDARD POLICIES AND MULTI-YEAR ACCESSIBILITY PLAN

Revised : April 2016

Accessibility Plan and Policies for Liberty Entertainment Group

This 2014-21 accessibility plan outlines the policies and actions that Liberty Entertainment Group will put in place to improve opportunities for people with disabilities and meet accessibility requirements under the Accessibility for Ontarians with Disabilities Act (Integrated Accessibility Standards).

PURPOSE

Integrated Accessibility Standards Regulation (IASR)

Integrated Accessibility Standards Regulation establishes accessibility standards and introduces requirements for Information and Communications, Employment, Transportation and the Design of Public Spaces. It also establishes the compliance framework for obligated organizations and applies to all public, private and not-for-profit organizations, with at least one employee. This regulation is now law and the requirements currently in regulation are being phased in between 2011 and 2021.

Ontario Human Rights Code

Liberty Entertainment Group has current and ongoing obligations under the Ontario Human Rights Code respecting non-discrimination. The IASR does not replace or affect existing legal obligations under the Ontario Human Rights Code and other laws in respect to accommodation of people with disabilities.

The Ontario Human Rights Code and the Accessibility for Ontarians with Disabilities Act (AODA) both deal with accessibility, but are two very different pieces of legislation. The Ontario Human Rights Code is an individual, complaints-based legislation that addresses discrimination. The IASR, created under the AODA, applies to all organizations in Ontario and will increase accessibility for all.

The Ontario Human Rights Code requires organizations to accommodate people with disabilities to the point of undue hardship. The IASR does not replace or affect legal rights or obligations that arise under the Ontario Human Rights Code and other laws relating to the accommodation of people with disabilities. This means that the Ontario Human Rights Code or other applicable legislation may require additional accommodation measures that go beyond or are different from the standards established by the regulations of the AODA.

SCOPE AND RESPONSIBILITIES

This plan has been drafted in accordance with the Regulation and addresses how Liberty Entertainment Group achieves accessibility through meeting the Regulation's requirements. It provides the overall strategic direction that will be followed to provide accessibility supports to Ontarians with disabilities. Please note that while accessibility principles and efforts apply to and will be followed by all Liberty Entertainment Group venues, the specifics of this plan document apply only to locations with 50 or more employees as per the regulation.

The requirements of the Regulation include the following five items:

- Establishment, implementation, maintenance and documentation of a multi-year accessibility plan, which outlines the organization's strategy to prevent and remove barriers and meet its requirements under the Regulation;
- Posting of the accessibility plan on Liberty Entertainment Group website and provide the plan in an accessible format upon request;
- Incorporation of accessibility criteria and features when procuring or acquiring goods, services, or facilities;
