Cibo Wine Bar makes a private preview for Lowe Art Museum's 60th Anniversary By Betty Alvarez

Like 5

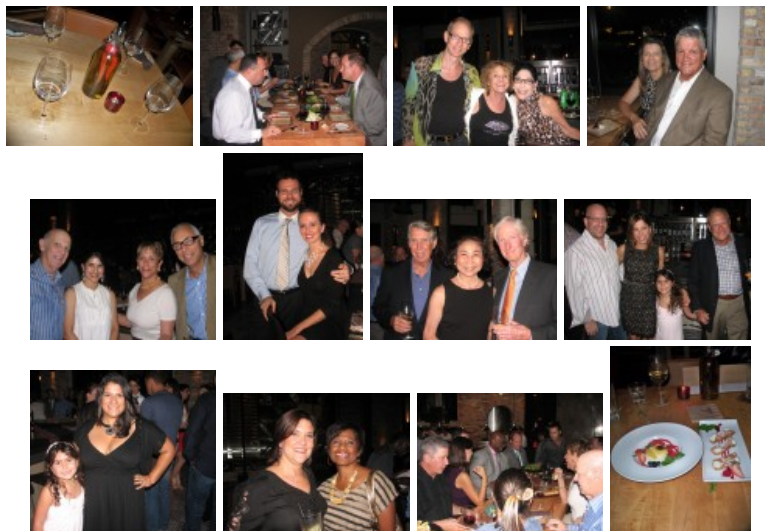

In celebration of Lowe Art Museum's 60th Anniversary, Cibo Wine and Bar opened its door for a private preview exclusively for members and guests of the Lowe Art Museum. While guests enjoyed a variety of appetizers and cocktails, it gave them a chance to experience all the wonders that Cibo Wine and Bar could deliver before its Grand Opening on October 26.

Cibo Wine Bar bring authentic rustic Italian Fare blended with a vibrant nightlife that promises to be a new hotspot in Coral Gables. One unique service that the restaurant brings is the glass protected wine cellar in which a special designated person gets hoisted to retrieve a bottle of wine all while restaurants guests are amazed of the talent. Something compared to Cirque du Soleil. But actually, a very nice experience!
