Be Italian

Italy's cuisine invasion of the Gables continues. The newest venue to wage war on the city's carb-o-phobics: **Cibo Wine Bar**. The menu at this rustic bistro focuses on classics and modern staples from the "culturally rich" (read: fattening) regions of Italy.

TO EAT *Stone-oven pizzas with just about every topping imaginable and homemade pastas that run the gamut: saucy, meaty, creamy and everything in between.*

TO DRINK *An extensive, 300-plus label wine list is heavy on vino from the old world. The restaurant comes equipped with an Enomatic wine serving system, which allows diners to sample numerous selections in different quantity options. A menu of signature martinis and cocktails ensures diners are socially lubricated before they order.*

FOR DESSERT *The classics are well covered with tiramisu, gelato, semifreddo and Sicilian cannoli.*
