*Catherine AND Jordan*  
PHOTOGRAPHY BY MARK ANTHONY STUDIOS

SPECIAL DAY

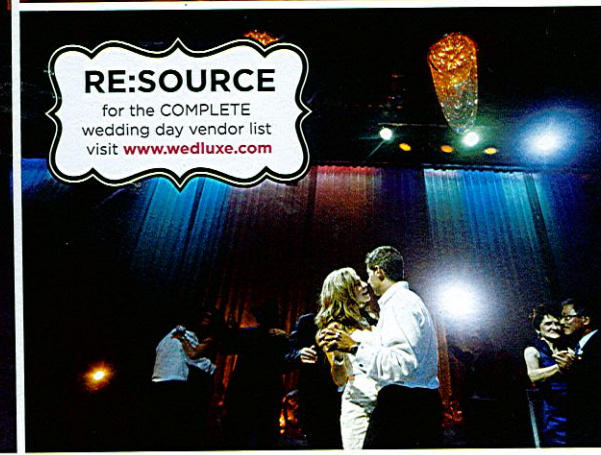

On June 20, 2010, almost a year to the day they started to date, Jordan and Catherine tied-the-knot in a stunning ceremony in the courtyard of Toronto's LIBERTY GRAND. Catherine wore a mermaid style gown from RITCHE BRIDAL with a Swarovski crystal bracelet, necklace and earrings from Toronto jeweler MYERSON'S LIMITED. She wore a vintage emerald ring as her 'something borrowed.'

WITH THIS RING

During the ceremony, guests were invited to participate in a 'Ring Warming.' The wedding rings were passed around in a translucent mesh bag. Each guest offered a silent prayer or wish for the couple while passing the rings to the front. The couple was married under a chuppah draped in sheer white silk with a sparkling crystal chandelier hanging from the centre. It was flanked with two large mirrors and glass vases filled with an abundance of white floral including roses, orchids, peonies, and calla lilies, designed by BILL FULGHUM DESIGN ASSOCIATES.

Stacey Cynamon of LOUNGE FURNITURE RENTALS helped Catherine and Jordan to create the celebrity style event they were looking for.

**COCKTAIL HOUR**

The couple treated their guests to a luxe cocktail-style reception that transformed the ballroom of the LIBERTY GRAND into a white, black and crystal party atmosphere worthy of a swanky nightclub. The entire room was draped in sheer white fabric and washed in dramatic blue uplighting. White leather furniture was placed around the room in comfortable vignettes. Tufted settees and large baroque chairs with sparkly black pillows created one of the seating areas. Rows of white leather couches ran through the centre of the room divided by glossy white console tables topped with opulent crystal lighting and low tight bunches of white hydrangeas. Mirrored coffee tables glowing with white candles were placed in front of the couches casting a warm glow over the scene. Cocktails flowed from the white lucite bars placed throughout the room. After a wonderful party, Jordan and Catherine honeymooned in Jamaica at the SANDALS WHITEHOUSE. They now reside in North York. ☺

**ABOUT THE PHOTOGRAPHER**

**Mark Anthony Studios;** Since 1993, Mark Anthony has photographed and masterfully produced more than 1,000 weddings and events... and counting. In 1998, Mark Anthony Studios was established in the heart of Toronto's Liberty Village. The 2,000 square foot studio space has a warm and inviting ambience to complement its contemporary design style. Let Mark Anthony Studios document your love!
